

Pomegranate Chocolate Candy Craft

take & make

Supplies:

1. chocolate chips
2. pomegranate seeds
3. ice tray & cupcake liners
4. bowl & spoon(not included)
5. microwave (not included)

Pour chocolate chips into a microwaveable bowl.

When melting chocolate, stop heating the chocolate before the last of the chocolate melts

Stir in pomegranate seeds

Drop by tablespoonfuls into the ice tray slots, filling each area.

Place the lid on the ice tray, place in the refrigerator for about a hour.

Push from the bottom of the ice tray to remove candy. Place candy in the cupcake liners to serve. Candy should last up to 4 days in the fridge.

We'd love to see what you created! Email a video to Tanya, or find us on Facebook or Instagram and post it there!
